

Located close to the Avila Beach Hotel, this restaurant serves great seafood delicacies. Elegant place settings with nice ambiance and friendly service make this seafood restaurant a perfect address for dinner. Besides the excellent fresh seafood dishes the menu includes a great selection of champagnes and wines from France, Argentina, New Zealand and other countries.

The kitchen team is passionate about bringing the fresh taste of the sea, so you'll find a constantly changing menu that uses the best local catch of the day and fresh fish from Europe, like Dover sole, cod and turbot. On the weekend days we have our oyster bar with different kinds of oysters from Europe.
